About the Brand.

We help startups and service-based businesses create **predictable growth** by building scalable inbound acquisition systems powered by branding, content, SEO, and performance marketing.

We don't operate like an agency.

We operate as an extension of your leadership team combining strategy, execution, and ecosystem under one roof.

Brands we've built with.

Ambitious brands across industries — stronger identities, impactful campaigns, measurable growth.

Built for sustainable growth.

Over the years we've worked with startups, consumer brands, technology companies, and emerging businesses across multiple sectors.

Our focus has always remained the same:

Build sustainable growth systems not short-term marketing wins.

Brands Partnered

100%

Outcome-Obsessed

We bridge the gap.

Most businesses struggle because they either lack strategic marketing leadership or the right execution partners. Untapd bridges that gap.

01

Brand Marketing & Growth

Identity, campaigns, content, performance.

02

In-Film Branding & Partnerships

Cultural integration across films, OTT, sports.

03

vCMO — Virtual CMO

Senior marketing leadership, on demand.

We help brands.

Scale revenue

Improve customer acquisition

Build stronger brand recall

Create long-term enterprise value

Unlock strategic partnerships

Optimize marketing budgets

vcnmo

High-level marketing leadership at a fraction of the cost.

A CMO without the overhead.

What is a vCMO?

Senior marketing leadership without full-time overhead. We integrate into your team to drive strategy without the C-suite salary burden.

Why It Matters

Fast-moving markets demand agile, expert-led GTM. Speed of execution and strategic clarity are the only unfair advantages left.

Our Goal

Optimize & measure ROI of every marketing rupee spent. Moving from vanity metrics to tangible revenue growth and efficiency.

Every client receives a dedicated vCMO.

Single point of accountability for all marketing working directly with:

- **Founders**
- **Leadership Team**
- **Internal Marketing Team**
- **External Agencies**
- **Untapd Specialists**

Marketing Budget Management

We manage every line — to maximize growth while maintaining financial discipline.

- Channel Allocation
- Performance Tracking
- Agency & Vendor Costs
- ROI Monitoring
- Monthly Reviews
- Quarterly Growth Planning

What a vCMO does.

STRATEGY	EXECUTION	GROWTH
Brand Positioning	Campaign Management	Funnel Optimization
Market Research	Content Direction	Retention Systems
Competitive Analysis	Performance Marketing	Channel Expansion
GTM Strategy	Agency Coordination	ROI Tracking
Roadmap Planning	Creative QA	Quarterly Planning

From tasks to business outcomes.

- Repeatable growth engines

Case Studies.

Grubwala

Your everyday food partner — D2C launch in Mumbai.

THE PROBLEM

A new D2C food brand entering a hyper competitive Mumbai market with no recognition, no acquisition funnel, and limited onboarding automation.

Our Solution:

- Defined brand strategy, positioning & communication
- Managed social media and content production
- Achieved CPL as low as ₹0.17
- Automated WhatsApp & email onboarding with n8n
- Distributed 7,000+ flyers across Mumbai

WHAT WE DID

Results:

- 5,200+ app downloads in 45 days
- 7,000+ flyers distributed
- 800+ daily email leads
- 3 PG & 2 corporate partnerships
- 5x growth in daily orders
- MRR scaled from ₹2L to ₹8L

Tripy

Carving a niche in a saturated travel category.

THE PROBLEM

Entered a saturated travel market without clear positioning resulting in weak brand recall and inefficient user acquisition.

WHAT WE DID

Repositioned Tripy around group travel, focusing on community-led growth, social first content, influencer collaborations, and organic brand building.

Results:

- 10K+ app downloads at launch
- 19 influencers onboarded
- Strong organic social presence
- Built early brand recall
- Scalable content-led growth
- Consistent engagement, zero paid ads

Kitdor

A curated kitchen marketplace for every kind of decision-maker.

A fragmented kitchen marketplace category with low buyer trust, scattered SKUs, and no clear value proposition for end customers.

Our Solution:

- Shifted to a D2C-first growth strategy
- Positioned as a kitchenware marketplace
- Built a mission-led brand narrative
- Focused content on trust, lifestyle & community

THE OUTCOME

Curated Selection

Trusted Brands

Brand Marketing.

Building brands customers remember.

What we do.

Brand growth isn't achieved through isolated campaigns. It's a system.

01

Brand Identity

Positioning, messaging, architecture, visual systems.

02

Campaigns

Concept → creative → distribution, end to end.

03

Digital Presence

Website, social, content, community.

04
